ZINC SILICATE *S.S. WHITE*

A DEFINITELY SUPERIOR SILICATE FOR DURABLE ESTHETIC RESTORATIONS IN PERMANENT POSTERIOURS AND DECIDUOUS TEETH

ZINC SILICATE is strong (35,000 lbs. per square inch in 7 days). Resists crushing stress of 31,600 lbs. per square inch in 24 hours after set . . . stronger than any similar material . . . greater protection during critical first 24 hours.

Has low solubility (0.25% by weight) . . . two to four times more durable in mouth fluids than any silicate material you have used heretofore.

Four tooth colors for perfect blend with denture and enamel of posterior teeth. Opacity 0.90 (Co. 70).

Mixes smooth . . . allows ample working time . . . finish in 15 to 20 minutes.

Introductory Package

- 4 Full portion powders (20 gms. ea.)
 - 1 ea. No. 16 Dark yellow
 - No. 20 Pale yellow
 - No. 21 Light yellow
 - No. 24 Yellow-gray
- 2 Full portion bottles of liquid (20 cc. ea.)
 - 1 Trial size powder No. 20
 - 1 Trial size bottle of liquid
- 1 Powder Carrier
 - Value, exclusive of trial powder and liquid\$10.00

PRICE PER PACKAGE \$8.25

Single powders (20 gms.)\$2.00
Liquid, full portion (20 cc.) per bot. 1.00

Prices Subject to Change Without Notice

TRY
before you buy

Use the trial Zinc Silicate powder and liquid. If you like it, accept a statement for the four powders and two liquids. If unsatisfactory, return them in saleable condition—no charge will be made.

WHY THE *Smiles* PLAN WAS CREATED

Many people are unable to pay cash for needed dental attention. As a result, essential health measures are often postponed. In other cases, half-way steps are taken. In still other instances, far too numerous, people assume a substantial dental debt with no plan for repaying it. Unfortunately, such debts are often regarded as an item that can be put off indefinitely.

**Smiles System enables your patients to have
complete dentistry now when it is needed and
provides a plan of payments to fit their needs.
YOU RECEIVE YOUR MONEY AT ONCE!**

Install the Smiles Plan now. It is completely ready for use. . . .
It is simple and profitable. . . . All forms needed to start and
operate this plan are available to you.

**YOU SHOULD BE INTERESTED IN THE FINANCIAL HEALTH,
AS WELL AS THE PHYSICAL HEALTH, OF YOUR PATIENTS.
CALL US TODAY.**

American Medical Association's Answer to Proposed Program on Socialized Medicine

Morris Fishbein, M.D.*

President Truman, in his national health program, proposed the extension of hospitals and health centers, a program of research, an extension of public health facilities, an extension of maternal and infant care and insurance against loss of wages due to illness. With all of these proposals the medical profession sincerely agrees. We have, in fact, gone far beyond these recommendations in urging a minimum standard of nutrition, housing, clothing and recreation as fundamental to good health in any health program.

We have urged the extension of professionally competent health departments to serve every part of the United States, with the understanding that local areas shall control their own agencies. However, it is not the function of a health department to take care of the sick unless indigency or need is established.

The procedures established by modern medicine for advice to the prospective mother and for adequate care in childbirth should be made available to every woman at a price that she can afford to pay. Children should have throughout infancy proper attention, including scientific nutrition, immunization against preventable infectious diseases and the other

services that are included in infant welfare. However, medicine is convinced that such services are best supplied through personal contact between mother and physician and may be provided through child care and infant welfare stations for those who have not access to personal medical attention.

The provision of health and diagnostic centers and hospitals necessary to community needs is essential for good medical care. The federal government may aid, preferably under principles such as are included in the Hill-Burton bill, which requires that location of hospitals be directed by the need for such institutions and the ability of the community to maintain them.

We have favored suitable hospitalization and medical service for veterans.

We urge extended, coordinated and intensified research for the advancement of medical science.

We urge a program of health education with the widest possible dissemination of information regarding the prevention and treatment of disease.

All these proposals are extensions of services now being rendered on a somewhat limited scale, since they are not equally available in all parts of the United States. The federal government can do much through grants-in-aid to

(Continued on page 22)

*Abstract of an address presented at the Midwinter Meeting of the Chicago Dental Society, February 14, 1946.

War Department Requests Selective Service to Issue Special Call for 1,500 Dentists

An emergency requirement for 1,500 young dentists has prompted the Surgeon General to appeal to the War Department Personnel Division to request Selective Service to take action to fill immediate needs, and the War Department has accordingly requested the director of Selective Service to issue a special call for dentists.

In a War Department announcement, Major General Norman T. Kirk, the Surgeon General, said he was concerned with hastening the discharge rate of dental officers with long periods of service. At present, a Dental Corps officer must serve thirty-nine months, have sixty points, or be forty-five years of age to become eligible for release, although lower requirements for medical officers were recently announced, reducing the service of general-duty officers from thirty-nine to thirty months and for certain critical specialists from forty-five to thirty-nine months. This step was made possible by the Army Medical Specialized Training Program. However, the corresponding dental AST program was terminated in 1944 because at that time there was an excess of dental officers and a definite need of dentists in civilian life.

With operational strength of the Army set at 1,550,000 on July 1, approximately 3,000 dentists will be required to care for Army patients. This would allow two dentists for every 1,000 men, which is considered the minimum necessary to give proper dental care.

It is anticipated that the proposed special call for dentists which Selective Service is now being asked to make will

render it possible at an early date to reduce the criteria for the discharge of dentists to a basis comparable with those in effect for release of physicians.

Under the announced procurement objectives recent dental graduates of approved schools are primarily sought. Upon delivery by Selective Service such dentists will be offered commissions by the Army, and their required period of active service will be limited to a maximum of two years. The War Department has expressed confidence that it will be possible to fill the special call for 1,500 dentists at this time because of the large number of dental graduates who were inducted and given government assistance in partially completing their education. When this program was terminated, these former ASTP students were discharged and deferred from further service to permit them to finish their dental training at their own expense. Four thousand six hundred fifty-one (4,651) such students actually completed their dental courses after discharge from the Army.

Brigadier General Thomas L. Smith, director, Dental Consultants Division, Surgeon General's office, stated such a move will speed up the discharge of older men in the service.

General Kirk emphasized that there must always be enough dentists in the service to insure that the health of soldiers will not be jeopardized. Further, he said, if more dentists should become necessary in the future, additional calls for them may be made on Selective Service.

Special Announcement by War Service and Post War Planning Committee

There have been protests to A.D.A. regarding discrimination of War Dept. in reducing number of months in service, toward release, from 39 to 30, in case of medical corps officers, with no reduction for dental officers. The War Service Committee takes the attitude that the tour of duty for dentists overseas and men over age, should be reduced to the minimum so that those desiring it may be returned to civilian practice. This opinion is shared by the Office of the Surgeon General, and their efforts have been sincere and vigorous in this connection.

In order to accomplish this purpose, and at the same time maintain the overseas and other commitments estimated by the Army, it would obviously be necessary that replacements be secured, and that they be recruited from recent graduates with particular reference to those with Army Service Training. Thousands of young physicians just completing their internships in hospitals are taking the place of their confreres.

The War Dept. has today called upon Selective Service to offer commissions of 2 years duration to 1,500 recent graduates. When the success of this program is assured, the War Dept. will take action to equalize points and months of service with medical corps officers.

SURPLUS PROPERTY

The War Service and Post War Planning Committee of the A.D.A. reports passage of an amendment to the Surplus

Property Act of 1944, signed by Pres. Truman, May 3, 1946, giving veterans priority for the purchase of dental equipment. The Act provides for setting aside for sale to veterans exclusively, selected items in heaviest demand, and this includes dental apparatus and equipment.

Efforts are being continued to induce Army and Navy to release as much dental equipment and supplies as possible, and while it is realized that the needs of all veteran dental officers will not be supplied, it is hoped that many will be aided in the establishment or re-establishment of their practices.

It is the intention of the legislation and regulations that dental equipment shall be sold to the veteran dental officer with no intermediary, and in order to obtain the maximum results it is important that any seeming irregularities be called to the attention of this Committee.

Inquiries and applications for surplus dental equipment should be made to one of the following Certifying Officers of the War Assets Administration in Illinois: Fred A. McLaughlin, Regional Director, 209 So. LaSalle Street, Chicago, Telephone: Franklin 9430; Veterans Branch: Clarence E. Johnson, Chief, 209 So. LaSalle Street, Chicago, Telephone: Franklin 9430, Extension 40; Edward Moore, Acting Chief, 339 Standard Office Bldg., Decatur, Telephone 2-4212; Certification Officer (Pending) 531 Alliance Life Bldg., Peoria, Telephone 3-3865; Hershel Criswell, Chief, 227 N. Wyman Street, Rockford, Telephone: Blackhawk 9-9735.

Minutes of the Regular Meeting Chicago Dental Society

Red Lacquer Room—Palmer House

May 21, 1946

The sixth regular monthly meeting of the Chicago Dental Society was called to order by President Zielinski at 8:30 p.m.

Motion was regularly made and severally seconded that the reading of the minutes of the meeting of April 16 be dispensed with inasmuch as they have been published in the FORTNIGHTLY REVIEW. Motion carried.

It was then regularly moved and severally seconded that the minutes of the meeting of April 16 be approved as prepared by the Secretary and published in the May 1 issue of the FORTNIGHTLY REVIEW. Motion carried.

Reports of boards and standing committees—none.

Reports of special committees—none.
Unfinished business.

President Zielinski announced that the body should take final action upon the amendments to the Constitution and By-Laws that were read at the last meeting. The Secretary, Dr. Wells, then read the following amendments:

"Art. III, Sec. 3. Life Membership: Delete the last phrase: 'and can comply with the other requirements for this classification as set forth in Art. VII, Sec. 2, of the by-laws,' and amend the section to read as follows: 'Life membership shall be restricted to dentists who have held active membership for not less than twenty-five (25) consecutive years and have reached the age of sixty-five (65) years.'"

"Art. VII, Sec. 2. Life Membership: Delete the entire section and substitute the following: 'Life membership: Any member who has held active membership for a period of twenty-five (25) consecutive years and has reached the age of sixty-five (65) shall automatically be elected to life membership by the board of directors.'"

It was moved and severally seconded that these amendments be approved. Motion carried.

New business.

Secretary Wells at the request of the President reported to the membership that the U. S. Public Health Service was conducting a health survey in Chicago and Cook County. This survey is being made by the Public Health Service at the request of Mayor Edward J. Kelly and Clayton F. Smith, President of the Cook County Board of Commissioners. The staff of the survey, Secretary Wells reported, plans to forward a questionnaire to all dentists in Cook County. The members of the Society are requested to fill in and return this questionnaire as promptly as possible.

President Zielinski asked the Secretary to read a letter to the Chicago Dental Society from Mr. W. H. Johnson, Superintendent of Schools, complimenting the Society upon its Youth Night program.

Dr. George W. Teuscher, Chairman of the Monthly Program Committee, was presented by President Zielinski. Dr. Teuscher in turn introduced Dr. W. Harry Archer of Pittsburgh, who spoke on "Anesthesia and Oral Surgery for the General Practitioner." At the conclusion of Dr. Archer's lecture President Zielinski expressed the thanks and appreciation of the membership to him for his excellent presentation.

In accordance with the long standing custom of the Society President Zielinski announced that the retiring presidents of each of the branches and the retiring officers and directors of the Chicago Dental Society would be awarded certificates of appreciation for the many services each has rendered to the Society. Testimonial certificates were then presented to each of the following:

Edward J. Rus, President, West Side Branch.

(Continued on page 23)

Chicago Mobilizing for Relief of Starving Millions—Europe and Far East Need Food Urgently

Chicago's Emergency Food Collection Committee, chairmanned by Mayor Edward J. Kelly, has started a campaign for food, and money with which to purchase food, for the millions of starving people in Europe and the Far East. The campaign centers on the collection of funds because purchases can be made at seaboard points more speedily than canned food can be gathered, packed, and started on its way to the hungry.

DIETARY DEFICIENCY

Hunger is no respecter of persons, according to Mayor Kelly. It is, however, immeasurably more brutal in its treatment of the very young and the very old. Scores of persons, including former President Hoover, who have visited the distraught countries have brought back tales of unbelievable suffering in the lands from which came many of our most respected citizens. For example, a recent report from UNRRA indicates that a large percentage of all 6 to 14 year old Greek children show physical evidence of dietary deficiency. Scientists state that a decrease in the average height of children is one of the most reliable indications of chronic malnutrition. Graphs taken of the height of some 50,000 Greek children showed a marked diminution in height. Loss of weight, on the other hand, isn't too accurate a means of measuring the effects of an inadequate diet.

The Swiss Red Cross is doing a valiant service in parts of Greece and is providing some supplementary feeding for the

younger children. Despite this, chronic rickets is prevalent and gingivitis, which results from a deficiency of Vitamin A, is rampant among the very young children.

TIN CONTAINERS

Because of the rigors of overseas shipment, the national committee, working on behalf of the United Nations Relief and Rehabilitation program, was forced to restrict shipments to those in tin containers. These are typically American and easily identified. Most urgently needed now are such things as condensed, evaporated, or dried milk, meats, fish, and peanut butter. Pooling of supplies collected in the nation-wide campaign will permit the widest possible and fairest distribution of food among the needy in war-devastated areas.

Mayor Kelly is supported by an active committee of influential Chicagoans. William L. McFetridge is executive chairman, Laurence Armour is treasurer, and Floyd M. Johnson, John R. Robinson and Mrs. Harriet M. Robertson are vice-chairmen.

Discussing the urgent need for relieving the semi-starved peoples abroad, Mayor Kelly stressed the fact that whenever an appeal came, for whatever purpose, Chicagoans have responded readily to the utmost of their ability. The dental profession of Chicago is doing its bit, by and large, with contributions of dental instruments and supplies. To those who have been unable to participate in this manner, Mayor Kelly addresses his appeal for help.

LETTERS

Dr. Robert G. Kesel, Editor
THE FORTNIGHTLY REVIEW
30 North Michigan Avenue
Chicago 2, Illinois

Dear Dr. Kesel:

I wish to thank you most sincerely for so generously giving space to my letter concerning Dr. Karanassopoulos. It will please you to know that it bore immediate fruit and that, in the same mail with the magazine which you so graciously sent, came a package of instruments from a Dr. Pomerance on Sixty-third Street.

These have been packed for shipment today and although the Post Office is not accepting out-of-Chicago mail we expect to be able to send them on their way to Athens very soon.

Very truly yours,
(Signed) Nicholas D. Cheronis

Editor's Note: *Dr. Helen Fox Addleman has also forwarded a package of instruments to Dr. Cheronis.*

Dr. Robert J. Wells, Secretary
CHICAGO DENTAL SOCIETY
30 North Michigan Avenue
Chicago 2, Illinois

Dear Dr. Wells:

I have been watching with interest the progress of the conference which you held yesterday with the group of high school students in dentistry. Mr. Lester Schloerb, Director of the Bureau of Occupational Research, has indicated to me the fine way in which your organization cooperated in doing a superb job in acquainting these young people with

the present status and opportunities in the field of dentistry. You have done an outstanding piece of work in the field of guidance and on behalf of the schools, I want you to know that this is deeply appreciated. I am becoming more and more convinced that it is only as we face cooperatively the problems which these young people must solve in connection with their vocational decisions, that our educational program is going to become effective.

Will you, therefore, please convey the appreciation of the schools to all of those in your organization who played an active role in making this conference a success?

Cordially yours,
(Signed) William H. Johnson
Superintendent of Schools

Dr. Robert J. Wells, Secretary
CHICAGO DENTAL SOCIETY
30 North Michigan Avenue
Chicago 2, Illinois

Dear Dr. Wells:

On behalf of the Chicago Youth Week Federation and the Chicago Public Schools I wish to thank your Society, particularly its Educational Committee, for cooperating so effectively with Chicago Youth Week. It was indeed gratifying to meet personally with so many dentists who offered their services to speak to the young people on problems pertaining to teeth.

Sincerely yours,
(Signed) A. H. Pritzlaff,
Executive Secretary-Treasurer and
Director of Physical Education
Board of Education

What Now?

NEWS AND ANNOUNCEMENTS

FATE OF GARDINER GENERAL HOSPITAL STILL UNDECIDED

The Fifth Army Area, formerly the Sixth Service Command, will proceed with plans to convert the Gardiner General Hospital into an office building to house its general officers, unless contrary orders are received from Washington.

Some civic bodies are protesting against the reconversion because they believe that the former hotel would be better used for veterans' housing than offices. The hotel, in this way, could accommodate approximately 1,000 persons. An Army spokesman said that if the Army declares the building surplus, the former owner has the first priority to buy it from the War Assets Corporation.

MEETING OF WISCONSIN DENTAL ECONOMIC STUDY CLUB

The Wisconsin Dental Economic Study Club will meet at Hotel Loraine, Madison, August 23 and 24. Dr. L. Riley McCormick, Publicity Chairman, recently announced.

DR. A. F. JOHNSON 1883-1946

Dr. Alvin F. Johnson, who practiced dentistry at 59th and Halsted Streets for thirty-nine years, died of coronary thrombosis in Englewood Hospital on May 27, 1946. He is survived by his widow, Jennie, and a brother, Arthur. He was a graduate of Northwestern University Dental School, Class of 1907, a member of the Englewood Branch of the Chicago Dental Society and a life member of Delta Sigma Delta fraternity.

Throughout the years, Dr. Johnson served his loved profession faithfully and ably. Because of his genial and jovial personality, he will be missed by his many friends.—*Reuben A. Anderson.*

EDUCATION FOR VETERANS

1,687,000 veterans have filed their applications for educational courses, according to the Administrator of Veterans Affairs, General Omar Bradley. 27 per cent of these are already enrolled. In Illinois the number of veterans not disabled who have filed for education and training totaled 154,091 as of May first. Of this number 19,662 are actually in training. For disabled veterans the number recorded in Illinois is 16,086 of which 2,366 are in training.

Three out of every four veterans of World War II are neglecting their insurance, according to reports. There was some 142 billions worth issued by the government. And that means about \$100,000,000,000 have gone down the drain.

NEW APPARATUS DRILLS TEETH PAINLESSLY

At the annual convention of the Dental Society of the State of New York held at the Pennsylvania Hotel a few months ago, a new instrument was on display which, it was claimed, would revolutionize cavity preparation in sensitive teeth. According to the manufacturer, the unit makes it possible to drill dentine painlessly without damage and without the use of drugs. Tests have been conducted by the dental institutes of the University of Paris, Zurich and Basle as well as by private practitioners.

Known simply as Wa Ro Pa, the apparatus gets its effect by the intensely cooled burr which is used. When the dentine is touched by the deeply cooled burr, the protoplasm in the dentine tubes stiffens to a small depth and a plug of firm protoplasm results. A small part of this stiffened substance is cut away and the next layer is progressively cooled. The drill can thus penetrate deeper and deeper without causing any pain.

(Continued on page 22)

NEWS OF THE BRANCHES

WEST SIDE

Samuel D. Kretshmer, Nathan Addis, Irvin C. Miller, James DeBiase and Irving Fishman have been chosen assistant branch correspondents and their gleanings will soon appear in this column. With this staff the crystal ball predicts some bright and interesting literary work in this column. Many members of this branch have caught the vacation bug and are headed for the wide open spaces and the long winding trails. . . . Frank Conklin is spending the entire summer at his home in Beverly Lake, Ontario. . . . Earl Boulger is spending the summer vacation at his home in Delta, Ontario. Frank and Earl are neighbors and both are resting, relaxing, chasing the elusive fish during the day and evading the troublesome mosquito at night. . . . William Gubbins is vacationing at Lake Ousterhout, Michigan, near his parents' farm so he can enjoy their super porterhouse steaks. . . . Harry Brown and Robert Baxter were fishing in northern Wisconsin. They brought back a prize catch. . . . Ernest Brogmus has done such a good job painting his fence that he was given the honor of painting his garage too. . . . Most every night Lewis Weinshenker can be seen sailing Lake Michigan waters and looking for the "lost school of perch." . . . Leo Cahill tried his luck at Spooner Lake, Wisconsin, and returned with a record catch. . . . Arthur Berkovsky is the proud father of a beautiful daughter born at Michael Reese Hospital. Baby and mother are doing well and Art is busy passing cigars. . . . Welcome home! Nathan Addis has reopened his office at 760 S. Kedzie Avenue after serving in the Dental Corps of the U.S. Navy for twenty-six months. Nathan served at Great Lakes, Illinois; San Bruno and Alameda, California. . . . Another "Welcome Home" to Samuel Z. Lieberman. Sam served thirty-six months

in the Dental Corps of the U.S. Army. He was attached to the 142nd General Hospital as Assistant Dental Surgeon. He spent eleven months at Karachi and Calcutta, India, and wears the Asiatic, Pacific-American Theatre and Victory ribbons. Sam has reopened his office at 4401 West Harrison Street. . . . **LAST CALL!** Make your reservations for the annual outing of the West Side branch, which will be held Wednesday, July 10, at Itasca Country Club, with the sports committee. Call W. E. Kelly, Nevada 9898; A. J. Sells, Cicero, 2962; or J. S. Vission, Nevada 6832. Come out and meet the boys. If transportation is a problem, call the committee. It will arrange for someone to bring you. A good time for all is assured.—*Maurice C. Ber- man, Branch Correspondent.*

WEST SUBURBAN

The West Suburban Round Table meeting held at noon, June 3, was well attended. Dr. Robert G. Kesel of the University of Illinois spoke about his research work on dental caries. His address received very favorable publicity in a recent issue of Oak Leaves. Real progress in dentistry can only be brought about by scientific research of a high character. The profession is very appreciative that it has Dr. Kesel and his able staff to carry on this research. A careful study of Dr. Kesel's article which was published in the June issue of the Journal of the American Dental Association should be made by all of us. . . . Lyle Filek has reopened his office after serving three years in the Dental Corps of the U.S. Navy. Congratulations. . . . Clarence Hanson has gone to Eagle River for ten days to fish for muskies. . . . Beulah Nelson left recently for Swampscott, Massachusetts, to attend the international convention of Zonta. . . . Guy Miller has returned from the hospital as

good as new and will soon be back in his office. . . . PLEASE, call the writer at Euclid 6896 and report any news of interest to our members.—*Asa J. La Grov, Branch Correspondent.*

KENWOOD-HYDE PARK

The golf outing of Kenwood-Hyde Park is over. The day started with plenty of rain but in the afternoon Old Sol bestowed his blessing upon us. Everyone present agreed that the outing was a success. It certainly was grand to see friends, such as Leo Kremer, Joe Wiedder, Grover Schubert—the Woodstock flash—and Russ Hegland, our executive secretary. . . . Jack Moran, a brother member from Englewood, spent the afternoon with us even though it was his wedding anniversary. . . . A few non-playing golfers, such as Harry Hartley, Elmer Ebert and Bob Kreiner enjoyed some fine hands of bridge. . . . Our 79th Street member, Red McMahon, tied Louie Christopher, the golfing orthodontist, and after the toss, Red took home the bacon. . . . Syl Cotter, Ben Herzberg, Joe Wiedder and Bob Pinkerton played Bingle, Bangle, Bungle. Syl with his usual masterful playing led the foursome. . . . Roast beef was served for dinner and everyone's appetite was satisfied. . . . Ben Herzberg, our flying orthodontist, recently flew to Kansas City. His first experience as a flyer occurred while vacationing in Florida. There he met Willard Johnson who inveigled him to fly to Cuba. Ben enjoyed that flight so much that only last week he flew to Cleveland and, now, he is off to Kansas City. I still like the good old terra firma. . . . Bob Kreiner is back in practice after serving thirty-seven months in the Dental Corps. . . . Cliff Randall made a hole-in-one at South Shore. . . . We welcome Ed Franklin into the fold of Kenwood. . . . If you have any news, call your scribe at Triangle 3456.—*Lawrence H. Johnson, Branch Correspondent.*

NORTH SIDE

Temperature 93, humidity 95. June is sure "busting out all over," but deadlines go on forever. . . . Joel D. John has been discharged from the Navy and has reopened his old office at 1954 Irving Park. . . . Dr. and Mrs. W. A. Meis spent the week end of June 8 at Iowa State University, Iowa City. They attended the graduation exercises as well as Dr. Meis's Golden Alumni meeting. Dr. Meis was the organizer of his class of 1896 and toastmaster of the banquet which was attended by six of the fourteen living members and their wives. . . . Walter F. Nock was elected chairman of the Ralph C. Cooley Study Club of Chicago. . . . O. A. Helmer is in South Dakota. . . . Roland Weber has been away. . . . E. O. Benson and Manley Elliott are leaving for New York to take an anesthesia course. . . . Warren R. Schram is on a vacation in Iowa, the tall corn country. From there he is going to fish in Minnesota. . . . Carl Gieler is the proud father of a son. Mother and father are both doing fine. . . . Manley Elliott, Ted Olson, Carl Gieler and Hans T. Lindberg did noble work and garnered head prizes at the North Shore Kiwanis Underprivileged Children's benefit. . . . Robert Janitschke has been doing some expert swimming while instructing at the Lawson YMCA. . . . Fred Scambler has been shooting some excellent golf at the Eggewater course. . . . Bill Schoen, our genial president, was elected Grand Master of the Chicago Auxiliary of Delta Sigma Delta Fraternity. . . . Herbert Haberle was elected treasurer of the same organization. . . . Art Blim, George Winograd, Milburn Johnson, Andrew W. Sauer, Jr., Edwin B. Kirby, Russell G. Boothe and Alfred H. Drew have all been appointed as co-scribes for this column. If you have any news contact your nearest reporter or you can call me at Lincoln 2243.—*Orrin Baumgarth, Branch Correspondent.*

ENGLEWOOD

The vacation era is here! Witness: C. A. Sinard and Mrs. Sinard are touring the East and plan to attend the national convention of Lions. . . . Ernest Goldhorn is fishing for two weeks in northern Minnesota. . . . Zenon J. Krol, who completed a one and one half year's residency in oral surgery and exodontia at Cook County hospital, recently was appointed to the staff of Holy Cross Hospital. . . . John E. Lynch died recently following an operation. Lt. James R. Logue who recently established his office in Peoria died suddenly following a heart attack. Lt. Logue had been on active duty in the Dental Corps of the U. S. Navy for over three years. To the bereaved families, Englewood extends its deepest sympathies. . . . The telephone number of our branch secretary, Ted Lindholm, is Saginaw 7030. Do not look for it in the telephone book for he was still on active duty in the U.S. Navy when the last issue was printed. . . . Ora Medsker is much improved following his recent operation. . . . David Johnston is convalescing at Watseka, Illinois. His son, Sherman, graduates from the University of Illinois College of Dentistry this month and soon will be in the Army. . . . O. E. Johnson had his car put in tip-top repair, gassed and lubricated and was planning to visit his daughter, Jean, who is graduating from the University of Iowa. He was all set to go, BUT—You guessed it! His car was stolen. Mrs. Johnson made the trip by train while O. E. stayed home. . . . Harry Kazen, formerly a Captain in the Army Dental Corps, has returned to civilian practice and has opened his office at 79th Street and Cottage Grove Avenue. . . . Harry A. Reid, Francis Campbell, Franklin Porter, M. J. Pincus and George Runyan talked before the South Town Study Club. Should you be interested in the success of this club, contact one of these men. . . . Here's to R. C. Van Dam, our branch correspondent for the past four years. He gave his time;

he gave his spirit; a true Englewooder. We sincerely appreciate his fine services. Thank you, Van.—*Louis B. Padden, Branch Correspondent.*

NORTH SUBURBAN

Starting this column with a sweet note, we report that Sally Fisher, daughter of Wilson Fisher, sang the leading role of "Pinafore" in the Evanston Township High School musical. Those who heard Sally sing said her voice was superb. . . . The Northwestern Dental Alumni had their golf outing on Wednesday, June 19, at the Northwestern golf course which was formerly the Wilmette Country Club. Speaking of Northwestern, Bob Johnson recently received a service award from the University, and all of the boys are offering their congratulations. . . . The only fishing addicts that I have heard of practicing their art lately are Charlie Baker, who was at Tomahawk Lake, and Dick Smith, who was at Phelps, Wisconsin. The success of their venture is still in doubt, because neither of them would offer any particulars. . . . Bill Murray recently went to Wellesley College for his daughter's graduation. . . . O. B. Davy is also traveling, but in the opposite direction. He left for points west and plans to stop in Seattle to visit his son. I guess that is about as far west as one can drive without getting into deep water. . . . Bob Jans received some bad news the other day. It seems as though the Navy hates to be without him and has recalled him for thirty months additional duty. . . . George Schnath and Willard McEwen have returned to practice in Evanston. . . . Fred Barich has the best quip of the year. While indulging in carpentry, he said he hit the nail on the head, but the nail happened to be on his finger. . . . A juvenile patient told me today that lightning struck a tree near his house last night and knocked all the bark off. I still wonder if I was justified in asking him if it was a dogwood tree!—*E. J. Sullivan, Branch Correspondent.*

NEWS AND ANNOUNCEMENTS

(Continued from page 18)

ELECTIONS TO MEMBERSHIP

At a meeting of the Board of Directors of the Chicago Dental Society, June 18, the following candidates were elected to membership:

Kenwood

Wm. F. Kane, 1625 E. 79th St.

Englewood

Richard W. Fey, 104 S. Michigan Ave.
Edwin E. Weinfield, 2923 W. 63rd St.

North Side

B. T. Bluestein, 55 E. Washington St.

West Suburban

Aurelius J. Pagano, 1020 Jackson Ave., River Forest
Bruno M. Kowalik, 3803 Home Ave., Berwyn
Stanley Martin, 715 Lake St., Oak Park
Angelo Rose, 1908 St. Charles Rd., Maywood

North Suburban

Martin D. Unterman, 317 W. Howard St., Evanston
F. Blaine Rhobotham, 708 Church St., Evanston

South Suburban

Milton C. Klow, 15718 S. Park Ave., South Holland

Northwest

Raphael M. Adelman, 3215 W. North Ave.
David J. Klapman, 2800 N. Milwaukee Ave.
Sidney M. Janows, 5 S. Wabash Ave.
Allen G. Doner, 25 E. Washington St.
Ernest J. Laenertz, Jr., 6699 Northwest Highway
Joseph L. DePinto, 2403 W. North Ave.

West Side

Julius J. Kovats, 404 S. Ashland Ave.

Service

Harold Gerstein, 39 N. Menard Ave.

A.M.A. ANSWER TO PROPOSALS ON SOCIALIZED MEDICINE

(Continued from page 5)

the individual states to encourage a wider development of such services and an increased responsibility among local communities to provide themselves with needed preventive and curative medical services.

A program for medical care within the American system of individual initiative and freedom of enterprise includes the establishment of voluntary nonprofit prepayment plans for the costs of hospitalization (such as the Blue Cross plans) and voluntary nonprofit prepayment plans for medical care (such as those developed by many state and county medical societies). The details of such insurance contracts should be acceptable to the Council on Medical Service of the American Medical Association and to the authori-

tative bodies of state medical associations. The evolution of voluntary prepayment insurance against the costs of sickness admits also the participation of private sickness insurance plans which meet the standards of insurance commissioners and of the Council on Medical Service of the American Medical Association.

The Council on Medical Service of the American Medical Association is at this very time engaged in developing a nation-wide plan for the extension of prepayment insurance against the costs of illness with standards that will insure a high quality of medical care and a maintenance of those fundamental factors in medical service that are consistent with the principles of the American plan of government.

MINUTES

(Continued from page 8)

Z. D. Ford, President, North Side Branch.

Michael L. Levin, President, Kenwood-Hyde Park Branch.

Silvio J. Tiberi, President, South Suburban Branch.

William C. Phillips, President, Englewood branch.

W. K. Frakes, President, West Suburban Branch.

Thomas R. Wright, President, Northwest Side Branch.

W. Otto Brasmer, President, North Suburban Branch.

Harry A. Hartley, Treasurer, Chicago Dental Society.

Vincent B. Milas, Vice-President, Chicago Dental Society.

Arno L. Brett, Director, West Suburban Branch.

Iver A. Oveson, Director, Northwest Side Branch.

Melford E. Zinser, Director, North Side Branch.

The newly elected directors, Drs. Couch, Kuncel and Merzhimer, were then called to the rostrum by President Zielinski and congratulated upon their election.

President Zielinski then asked the newly elected officers to come to the rostrum. These officers were introduced

to the membership and installed into office by the President in the following order:

William C. Phillips, Vice-President

Robert J. Wells, Secretary

Vincent B. Milas, Treasurer

President Zielinski introduced Harry A. Hartley, President-Elect, and remarked that he would be installed as President at the May meeting in 1947.

Following the presentation of these officers President Zielinski installed Robert I. Humphrey as President. Following his installation into office President Humphrey expressed his deep appreciation for the great honor and promised to fulfill the many obligations which accompanied the office.

President Humphrey then presented the president's certificate to Dr. Zielinski as a testimonial to his many services to the Society. Dr. Zielinski expressed his thanks for the wholehearted support of his administration by the members, committee chairmen and committeemen.

There being no further business the meeting was adjourned at 10:30 p.m. Approximately 300 members and guests were in attendance.

Respectfully submitted,

ROBERT J. WELLS, *Secretary*.

Contributions

Manuscripts should be typewritten, double spaced, and the original copy should be submitted. Every effort will be made to return unused manuscripts, if request is made, but no responsibility can be accepted for failure to do so. Anonymous communications will receive no consideration whatever.

Manuscripts and news items of interest to the membership of the Society are solicited.

Forms close on the third and eighteenth of each month. The early submission of material will insure more consideration for publication.

Applications for Membership

The following applications have been received by the Ethics Committee: Any member having information relative to any of the applicants, which would affect their membership, should communicate in writing with Dr. Lester E. Kalk, 5500 S. Halsted St. Anonymous communications or telephone calls will receive no consideration.

A new and effective cold process
solvent for removing lime
scale and discoloration

SAN-A-SOL

San-A-Sol is a new, sanitary solvent for removing scale and discoloration from sterilizers, cuspidors, stainless steel instruments, sinks—for cleaning mixing slabs, burs, diamond points and for many other office uses.

It is NOT an ordinary solvent in any sense of the word. San-A-Sol is entirely

different in chemical formula; it does a thorough job without becoming scalding hot . . . without any violent action.

San-A-Sol comes ready to use. It works quickly and completely. Bottled in convenient quart and gallon sizes. It is a practical, efficient, safe cleaner and is available NOW thru your dealer.

Only 95c per quart. \$2.95 per gallon
Slightly higher distant places from Chicago

American hands . . .
sensitive and so sure, experienced and
so skillful, doing precision
work . . . for YOU.

Doctor, friend of ours . . .
American replacements help you to make
MORE money . . .
and play Wednesday golf, too.

You say: "If they can do that they must be miraculous" . . . and maybe they are. At least, *American* replacements are the *finest* that we can design and make.

They're so fine and so satisfying to dentists because they not only *look* good to you but they feel *comfortable* to your patients, beyond their expectations.

And, *those* most desirable results are at-

tained with a *minimum* of time used in appointments . . . because your *American* replacements fit, and fit *comfortably*.

They fit satisfyingly to your *patients* and to you . . . to *save your time*, enabling you to play golf regularly with *that four-some* . . . and even to handle many more desirable patients in a normal day, and thus to *earn* and to *get more money*.

True Esthetics in the Art of Prosthetic Dentistry

True esthetics in the art of prosthetic dentistry means primarily the closest possible to the original, natural denture that your artificial creation replaces. The artificial partial or full denture must qualify for the age and appearance of the patient. The meticulous care you exercise in the preparation of the mouth for the insertion of esthetic restorations, the selection of the type of appliance, correct molds and shading, are all a part of your artistic practice.

Ten years ago, we presented to the dental profession

Durallium

This outstanding chrome cobalt alloy is now universally used in cast restorations.

Durallium possesses these twelve points of advantage:

1. *Lighter*
2. *Stronger*
3. *Casts to Precision*
4. *Acid Resistant*
5. *Abrasion Proof*
6. *Resists Torque*
7. *Tolerated by Oral Tissue*
8. *Will not Discolor*
9. *Additions may be Soldered*
10. *Permanent Beautiful Lustre*
11. *Less Galvanic Action*
12. *No Metallic Taste*

In 1946, ten years later, Durallium now presents the second of the greatest developments of this century in the progress of prosthetic dentistry.

CERAMICAST TEETH

cast of
porcelain

Designed to match Nature in "teeth beauty" and engineered to give the greatest strength and longest artificial tooth service.

These ten points are exclusive to the most advanced step in artificial teeth history.

1. *Pinless*
2. *Positive Retention*
3. *Hardest and Toughest*
4. *Do not sliver or chip*
5. *High lingual comfort*
6. *Beautiful in hue*
7. *Most natural in appearance*
8. *Desirable selection of shades and molds*
9. *Short bite strength against leverage*
10. *Natural translucency*

There is a blue dot on each Ceramicast tooth.

Service, patient-comfort and satisfaction in addition to the most natural beauty in appearance and a translucency that literally defies detection as artificial. CERAMICAST TEETH being pinless, assure strength because the weakness around the pin is eliminated.

A complete stock of CERAMICAST TEETH in all desirable shades and molds is available through Durallium qualified laboratories.

There is a Durallium qualified laboratory near, ready to service your needs in both, DURALLIUM cast restorations and CERAMICAST TEETH.

HEADING THE MARCH of Progress

The art and science of dental prosthetics has come far within the last few decades. In this march of progress some dental laboratories have consistently been at the head. We are proud to be numbered among this group. We give assurance that we shall make every effort to retain this position so that you may continue to look to Standard Dental Laboratories for the best and most advanced in modern prosthetics. For functional restorations of the finest type you can with every confidence send your cases to Standard Dental Laboratories.

STANDARD DENTAL LABORATORIES

WERNET DENTAL MFG. CO., INC.
190 CALDWIN AVE.
JERSEY CITY 6, N. J.

For "B" TYPE INLAYS

Accepted as the solution to all problems involving Average Inlays.

Simplifies your selection of the RIGHT type of gold . . . esthetically, functionally, and economically.

Scientifically compounded as a medium-hard alloy for accurate casting and durability in service.

Margins may be finely drawn and burnished without risk of breakage.

Has a deep rich gold color that takes a high polish.

A popular gold because of its broad versatility and dependable working qualities.

Deetwo GOLD

We invite you to send for data on physical properties and simplified heat treating.
